

World Communion Sunday

On Sunday, October 3rd, Lexington UMC and St. John's Korean UMC celebrated a joint worship service in recognition of World Communion Sunday. Rev Susan J. Morrison of LUMC and Rev. Young Bok Rha of SJKUMC led the service. Music was provided by a combined choir and by individual musicians from each congregation. After affirming our unity through the Eucharist, we shared food delicacies from both the Korean and American traditions in Martin Hall.
